## KAMIKARA Action Paper Crafts

**Material :** paper, rubber band

**Package Size (l x w) :**  
9" x 8" x 0.25"

**Assembled Size (l x w x h) :**

7" x 7" x 5.5" (penguin)

7" x 6" x 4" (squid)

4.5" x 6" x 3" (armadillo)

3" x 3" x 5" (zombie)

**Weight :** 0.7 oz.

**Manufacturer :** Magnote

KAMIKARA is action paper craft kits designed by Japanese paper engineer Haruki Nakamura. Each kit is intuitively designed and easy to build without requiring any tools. Enjoy the next generation of paper crafts!

## KARAKURI CIRCUS

Each KAMIKARA paper craft kits feature unique automata adding action to built models. Originally designed by renowned action paper craft Meister, Haruki Nakamura, this product is officially licensed under his supervision and repackaged for world-wide release.

## NEXT GEN ORIGAMI

Kit includes perforated paper sheets, rubber band, and English pictorial instructions. Once the paper pieces are popped out, each of them that require folds are scored for easy assembly. A paper hook tool is included in the kit to assist installing the rubber band.

## FUN GIFT FOR ALL AGES

Origami and paper craft kits are beloved by all ages regardless of gender. The additional action element invented by Haruki in each of the KAMIKARA series adds the extra surprise for viewers and satisfaction for builders beyond normal origami paper crafting, making it ideal for birthday gifts, party favors, stocking stuffers, game prizes, and more.

## Poppin' Penguin

KMKR-PPPG

**SEE IT IN ACTION!**

Put the penguin's head down and push it down to lock it flat. With the right side up, drop it down on a flat surface to see the penguin spring pop back up!

## Flippin' Squid

KMKR-FPSQ

**SEE IT IN ACTION!**

Flatten the squid to lock position and let it stand. Tilt it back and see it complete a summersault!

## Shockin' Zombie

KMKR-SKZB

**SEE IT IN ACTION!**

Gently press the zombie's stomach flat to reveal what's behind his face!

## Rollin' Armadillo

KMKR-RLAD

**SEE IT IN ACTION!**

Lightly tap the back of the armadillo and see it curl and roll up into a ball!

Create your creativity.

# PIPEROID

PIPEROID is a paper robot craft kit for both kids and adults.

All you need is a pair of scissors. Just cut, fold, and connect the pipes to build your own robot with movable joints in less than 30 minutes!

Each character has a unique background story, and after assembly it can be used as an accent for home or office decor and even as a memo holder.

1. Package contains paper pipes, some drilled with holes.

2. Cut the pipes and connect the pieces. No glue or tape needed.

3. All you need is 30 minutes to assemble and enjoy crafting!

PIPEROID Store Display Case  
(3.5" x 3.5" x 4.5")

Display samples can sit  
on spinner display

PIPEROID 8-peg Spinner Display  
(9" diameter, 24" high)

## PIPEROID characters

**Assembled Size (l x w x h) :**

2" x 1" x 3"

**Weight :** 0.7 oz.

**Manufacturer :** KOTO

### Sweets & Co.

**Photogenic Sisters & Their Brother**

**PPRD-SWTS**

Candy, Macaron, and Cookie are three sisters who are so obsessed with taking photogenic shots that they have now gone viral on the Internet. While their brother Muffin complains about being forced to take their pictures everyday, he can sense his talent as a photographer has been improving.

### Dracky & Wolffy & Franky

**Costume Players PPRD-DWFFY**

Hard-to-please Dracky, always-positive Wolffy, and big-but-timid Franky are three best buddies. After going to their first ever Halloween party, they all got hooked on dressing up and now wear their costumes all year along. These days they are starting to forget their original personalities.

### Dr. Joe & Boxy

**Robot Doctor & His Assistant PPRD-JOBX**

Joe is a robot doctor who enjoys a slow life operating a robot repair shop in town with his assistant Boxy. He is the very first PIPEROID, and took the world by the storm at the time, but he has forgotten it all after hitting his head a while back.

**Guyzer & Bean** PPRD-GZBN**Rock Star & His Only Fan**

Leader of the hard rock band 'Guyzer & Hell Brothers', anyone who's heard his music loves his tunes hands down - or so he dreams. Currently he's looking for additional members in his band, as his apprentice Bean is his only fan at this time.

**Rokusuke & Hachi** PPRD-RSHC**Samurai & His Dog**

Rokusuke is a *Kabukimono* - a member of a group of jobless samurai warriors, or ronin, who are known by their violent acts and exotic fashions. Being always full of energy, he often gets himself in trouble except when his dog Hachi, who he adores excessively, is with him.

He flaunts his sword that he carries at all times, but it's actually so long that he can't brandish it himself.

**Dr. Penk & Goriborg** PPRD-PKGB**The Professor & His Robot**

Dr. Penk is a little genius professor. Always devoting himself to research, he shows no interest in fame despite many fans calling him "So cute!!" On the other hand, there is Goriborg, a robot built by Dr. Penk. As a Super Robot, he was built with the mission of invading the Earth under Dr. Penk's command. However things aren't working as expected so far...

## Captain Drill & Repeat

PPRD-CDRP

### Pirate & His Partner

Captain Drill is a pirate who has traveled across the seven seas. Being famous for his short temper, in a fit of frustration, he threw his drill around and sank his own ship, forcing him to live on the shore.

His partner Repeat often impersonates his voice and issues commands - creating confusion amongst the captain's henchmen.

## Tenor & Silky

PPRD-TNSL

### Jazzman & His Cat

Sax player Tenor stands out with his unique hairstyle and loud laugh. But actually he is timid inside and always gets nervous before he goes on stage. He can calm himself down when he pets his cat, Silky, but the moody cat doesn't always allow him to do that. On those days, Tenor's performance on stage is as sad as it can get . . .

## Snow Giant & Lop & Dwarf

PPRD-SGLD

### Snowman & Bunny Siblings

Bunny siblings Lop and Dwarf are anxiously waiting to meet Snow Giant, who comes from nowhere during the snow season. No one knows who he is or where he comes from, but none of that really matters to the bunnies. All you can hear is them having fun all winter. "Let's have a snow fight!"

2in1

## Hana & Suzu PPRD-HNSZ

### Waitress & Her Pet Sparrow

Hana works in a local tea cafe with the cafe mascot, a pet sparrow named Suzu. Hana has a crush on Rokusuke, a rōnin (masterless samurai). Whenever he stops by for a drink, she gets overly excited and ends up brewing his tea too strong, giving him bad impression of their tea.

## Linda & Doby PPRD-LDBY

### Punk Rock Idol & Her Manager

Linda has created her own following and has established herself as "Robot Punk Idol," but not without her manager Doby. With his brilliant negotiating and deal-closing skills, Doby has been able to win many contracts for Linda, despite the challenge of being a new music genre.

2in1

2in1

## Andy & Pino PPRD-ADPN

### Art Prodigy & Wooden Doll Model

Andy is a famous art prodigy with such talent that he can literally bring his works to life --- even a wooden doll he created as a motif for his paintings. The doll was named Pino, and he likes to pull pranks by telling witty lies to people. Lately, it seems like Pino's nose has grown taller...

Zin1

## Octo & Deca

PPRD-OCDC

### Mischievous Octopus & Crab Buddies

Octo and Deca both work at an aquarium. Being the elder of the two, Octo always comes up with pranks and forces Deca to play along with him. This time they have gone out on a mission to pat a sleeping shark on the head.

## Teddy & Hoot

PPRD-TDHT

### Park Ranger Duo

Courageous Teddy and intelligent Hoot pride themselves as being the best park rangers in town, protecting the wildlife from evil. However with the lack of incidents these days, they are left with too much time on their hands, making them seriously consider turning each other into bad guys.

Zin1

Zin1

## Lyric & Hook & Track

PPRD-LHTK

### Hip Hop Trio

Members of the hip-hop trio Bad Animals are all ready for the stage, combining agile MC Lyric, the delicate touch of MC Hook, and groovy selections from DJ Track. Currently going through hip-hop magazines to decide which competition to attend next.

## Tengking & Tsubuten PPRD-TKTT

### Goblin & His Apprentice

Tengking and his apprentice Tsubuten are a troublesome duo who plays pranks everywhere they travel. If a pencil is unexpectedly swapped with a pen, or an eraser that was in front of you suddenly disappears, it's likely that this duo played some role in the act.

## Smoke & Bill PPRD-SMBL

### Ninja Mates

Smoke is always serious and hard-working. His desire to master ninja techniques in a quiet and peaceful environment is often interrupted by Bill, who babbles all day long. Perhaps he's bored with the reality of a ninja life which isn't as exciting as the ones he's been fascinated by in the comic books.

## Funny & Angry PPRD-FNAG

### Circus Duo

The popular duos are members of the world's smallest circus troupe. Angry is gifted with tremendous skills but is a bit hard to get along with---often times blowing up at someone. In trying to entertain Angry every day, Funny has naturally developed his skills as a clown and now stands at a world-class level.

## Kojiro & Butcher PPRD-KJBC

### Samurai Warrior & His Bulldog

Samurai Warrior Kojiro carries an extra long sword and strolls around with Butcher - a bulldog with sharp teeth that can even crack a rock. They boast to be the strongest in the village, but in reality Kojiro is actually a novice with swords, and Butcher has a timid heart being afraid to fight even toy poodles.

## Dr. Penk & Bearborg PPRD-PKBB

### The Professor & His Robot Bear

Dr. Penk is out on a mission, exploring old historic ruins never found before. To help his journey, he developed a super powerful robot, Bearborg, and equipped him with a “bear claw” on the right paw to open up any terrain standing in front of them. However, the robot easily gets distracted by honey combs, slowing down the mission to a crawl.

## Super Red & El Blue PPRD-SREB

### Masked Wrestlers

The masked wrestler brothers Super Red & El Blue have been training in the recesses of the mountains since childhood, so they have yet to make their ring debut. They humbly tell people, “We have a long way to go,” but they are the only ones who haven’t realized how fiercely strong they really are.

## PIPEROID classics

**Material :** paper

**Package Size (l x w) :**  
10.6" x 2.8"

**Assembled Size (l x w x h) :**

2.5" x 1.5" x 3.5"

**Weight :** 0.7 oz.

**Manufacturer :** KOTO

**Good Design Award  
2007 Recipient**

Patent No.  
JAPAN 第4048320号  
U.S.A US7,311,579 B2  
KOREA 第833138号  
CHINA 第ZL 03 1 23136.5号  
TAIWAN 第1 270402号

The original five PIPEROIDS are back! Despite it's simpler design and lack of the side-kicks included in the newer PIPEROID characters series, all the base elements including their moveable joints and easy to build instructions without using tape or glue are the same! The size is even slightly bigger than the newer series since they use the same number of paper pipes.

### Muscle Joe PPRD-MSJO

Powerful and enthusiastic - Joe often overworks and gets excited to the point that he can't pay attention to his surroundings, ending up in another's way.

### Mantis Harry PPRD-MTHR

Intelligent - Harry keeps himself busy and gets impatient when he isn't solving math problems or working on his daily schedule.

### Jet Jonathan PPRD-JTJN

Gossipy and always at liberty - Jonathan flies around gathering gossip from around the world.

### Hammer Rose PPRD-HMRS

A girl robot who loves to love - Rose recently got hooked on fortune telling. She easily falls in love with good-looking machines and robots, making aggressive moves to win their hearts.

### Cannon Bull PPRD-CNBL

Geeky and loves to eat - Bull is rather lazy and stays home most of the time. His favorite activity these days is to veg out in front of the TV.

## PIPEROID friends

## EVANGELION

"Evangelion" has been a worldwide famous Japanese animation TV series since its first broadcast as "Neon Genesis EVANGELION" in 1995. Staging a world after experiencing the most catastrophic "Second Impact" in human history, the story depicts successive between the 14-years-old teenage pilots of giant bio machines called EVANGELIONS and the mysterious ANGELS. A new film series called "Rebuild of Evangelion" was released in 2007. Three in the series were already released, heating up further the then well permeated popularity amongst its wide range of viewers, regardless of age or gender.

**Package Contents :**

1 wood sheet, mini message card, 1 envelope, instruction sheet, large message card (SF/ NY only)

**Assembled Size (l x w x h) :** 1.2" x 1.2" x 2"

**Weight :** 2.3 oz.

**Manufacturer :** twelvetone

Write a personal note on the mini message card and send it along with the wood board in a envelope included in the package.

The recipient can simply pop out the wooden letters and in a few minutes assemble them together without glue or tape to build a messenger robot that can even hold your note!

**Happy Birthday**
